28. (Internal Use Only - PLC) Received a call from Stephen Daniels, Minority Staff Counsel, House Government Operations Committee, who read to me his draft memorandum relating for the minority members of the Subcommittee, a brief rundown on the Director's hearing. I told him I thought it was substantially correct. Daniels added that he felt the Director had made an excellent presentation and he expressed his regrets that the Chairwoman had failed to develop the basic issues before the Subcommittee. Daniels offered to be of assistance in the preparation of any proposed substitute for the Agency's present exemption to the Privacy Act. It was Daniels' opinion that the Chairwoman will probably get her proposal through the Subcommittee but would have problems with the full Committee.

25X1A 29. (Internal Use Only - FMC) Called back John E. Melton, Administrative Assistant to Representative Robert C. McEwen (R., N. Y.), and told him the constituent he had called about, [REDACTED] was interviewed on 2 May 1974 in our Rosslyn, Virginia office and took the Agency's professional tests on 11 May 1974 and at the time given application forms which were never returned to the Agency for processing. I also mentioned to Mr. Melton that [REDACTED] was also interviewed on 21 August 1973 and was given application forms at that time, which were never returned. Mr. Melton said he would check with the constituent to make sure he was really interested in employment with our Agency and call us back if he was.

25X1A 30. (Internal Use Only - PLC) Returned the original correspondence on a constituent, [REDACTED] to Mary Johannes, on the staff of Senator Adlai E. Stevenson III (D., Ill.). The constituent referred to earlier correspondence with the Senator (which we never received) and I explained to Ms. Johannes that the matter did not appear to concern the Agency. Ms. Johannes agreed and said we should consider the matter closed.
